ATTENTION

Notice to all users

This project can only continue with support from

YOU!

That's correct, the future is in your hands. You've seen the prices on books and materials of this type available commercially - so why shell out your hard-earned money on that when you can benefit yourself and everyone else in the hobby by contributing financially to this project. Updates in computer equipment and the purchase of research materials are dependent on money donated. Digital materials generated are FREE for the user, and always will be.
